From Keynote Speakers

*"What can I say ... but a HUGE THANKS! Thank you for inviting me to keynote at your first annual Women for Women Six-Figure event. I was thrilled and honored to be your opening keynoter. Thank you for all your hard work. I know how hard it is to put something together of this magnitude. But, you did with flying colors. **Many congrats!***

*Especially many thanks for your hospitality...the beautiful room, the registration package, the yummy meals and the beautiful flowers, chocolates and business card holder. **Wow!!!** As well, it was a pleasure getting to know you better and all the wonderful women I met. What a bunch of dynamos...*

Again, thanks for wonderful hospitality and keep in touch..."
