Dear Sherri,

It is not often that a venue sends a testimonial to a convener regarding an event that was held at their establishment, but I feel compelled to tell you how wonderful your event was!

From my perspective of organizing the details of the meeting with you and your committee, this was probably one of the easiest and most enjoyable to coordinate and experience. Your professionalism and desire to please your guests was outstanding.

As a participant my expectations were far exceeded. I truly enjoyed the camaraderie, valuable contacts, friendships formed and overall goodtime that was evidently being had by all. In all it made for a very enjoyable and beneficial conference. Having now experienced it I will truly be able to highly recommend it to others.

Best wishes and much success to you, your committee and organization with future events!

Warmest Regards,
